

UNDERGRADUATE - POSTER					
	Winners	Poster #	Name	Session Title	Presentation Title
	First	44	Mr. Sahil Palnitkar	Psychology (1) - Undergraduate	SpeakEasy
	Second	43	Ms. Abby Rose Patterson	Psychology (1) - Undergraduate	An Exploration of the Information Shared Through Whisper Networks: A Qualitative Analysis of Informal Communication Regarding Sexual Harassment
	First	131	Ms. Aleena Lukose	Medicine (1) - Undergraduate	Developmental restriction alters the composition of neural progenitor grafts after spinal cord injury
	First	36	Ms. Josselyne Saenz	Psychology (2) - Undergraduate	Who is Whispering: A Qualitative Analysis of Whisper Networks and Their Information Sources
	Second	37	Ms. Haylie Elise Maguire	Psychology (2) - Undergraduate	The Relative and Incremental Effects of Physical and Mental Health on Job Performance
	First	123	Ms. Emily Chapa	Molecular Biology (1) - Undergraduate	Circadian Clock Control of tRNA Synthetases
	Second	120	Mr. Noah McNally	Molecular Biology (1) - Undergraduate	Analyzing the natural analogs of the antifungal compound occidiofungin
	First	164	Ms. Genevieve Bernard	Sociology - Undergraduate	The Black Forgiveness Expectation: Predictors of Positive Perceptions of Black Forgiveness
	Second	168	Ms. Franchesca Brianna Huerta	Sociology - Undergraduate	Does Disaster Assistance Promote Resilience?
	First	112	Mr. Joseph Chen	Molecular Biology (2) - Undergraduate	Effects of developmental restriction on neural progenitor cell differentiation in vitro
	Second	114	Ms. Kayla Wilhoit	Molecular Biology (2) - Undergraduate	Inequality of Sex Chromosome to Autosome Fusions
	First	49	Ms. Elizabeth Genevieve Odom	Psychology (5) - Undergraduate	Whisper Networks & Motivation: An Analysis of Motivation to Share or Withhold Information in a Whisper Network
	Second	50	Ms. Allison J. Vollentine	Psychology (5) - Undergraduate	Factors Affecting the Desire to Work from Home Post-Pandemic
	First	62	Mr. Noah T. Reed	Psychology (6) - Undergraduate	What's in a Name? Forenames as a Predictor of Psychopathological Personality Traits
	First	128	Mr. Nathan L. Cranston	Medicine (2) - Undergraduate & Graduate	Deriving Algebraic Solutions to Characterize the Stages of Physiological Responses to Hypovolemia
	Second	129	Mr. Sihyeong Park	Medicine (2) - Undergraduate & Graduate	Preload Recruitable Stroke Work May Not Be a Valid Index of Cardiac Contractility
	First	13	Mr. Jonathan Yang	Computer Science (2) - Undergraduate & Graduate	AutoNarrator
	Second	12	Mr. Jesus Cedillo	Computer Science (2) - Undergraduate & Graduate	Checkpointing Jupyter
	First	57	Ms. Blaine Reece Peters	Psychology (7) - Undergraduate	Qualitative Analysis of Whisper Networks and the Context in Which They Arise
	First	142	Ms. Karen Chung	Medicine (3) - Undergraduate & Graduate	Transcriptomic analysis to determine the impact of HEamiRNAs and prenatal alcohol exposure on the placenta and fetal growth restriction
	First	2	Mr. Kevin Yao	Computer Science (1) - Undergraduate & Graduate	Intelligent Augmented Lifelike Avatar App for Virtual Physical Examination of Suspected Strokes
	Second	5	Mr. Ross Podell	Computer Science (1) - Undergraduate & Graduate	Computer Speak
	First	78	Mr. Dante Malik Herrera	Engineering (2) - Undergraduate & Graduate	Hybrid Rocket Propulsion
	First	98	Ms. Grace Michiko Bodine	Agriculture - Undergraduate & Graduate	Reduced tillage and cover crop use does not alter macroaggregate stability in a South-Central Texas row cropping system
	First	79	Ms. Catherine Lloyd	Geology/Geography/Geophysics (2) - Undergraduate	Comparison of in-situ rock strength of the input materials and prism sediments at the Hikurangi Margin
	First	87	Ms. Andrea McClure	Ecology & Evolution (1) - Undergraduate	Structural Phylogenetics of North America Desert Flora
	First	152	Ms. Caitlyn Alexa Thoene	Public Health (1) - Undergraduate	Medicolegal Death Investigator Workplace Safety Hazards: A Scoping Review of the Literature
	Second	159	Ms. Bridget Higgins	Public Health (1) - Undergraduate	Mental Healthcare in Syrian Refugee Populations: Stigma, Treatment, and Cultural Competency
